

BarTender Price Schedule (USD)

Enterprise Print Server			
Part Number	Maximum Allowable Printers	Maximum Allowable PCs	List Price
BT-EP3	3	Unlimited	\$1,895
BT-EP5	5	Unlimited	\$2,995
BT-EP10	10	Unlimited	\$4,370
BT-EP15	15	Unlimited	\$5,495
BT-EP20	20	Unlimited	\$6,620
From 30 to 90 Printers Between 30 and 90 printers on a network, complete the part number by replacing "#" with total number of printers.			
BT-EP# (# = 30, 40, etc.) Total list price = price of the BT-EP20 plus \$2250 for each 10 additional printers.			
100 or More Printers For 100 printers and above, please contact your reseller or Seagull Scientific.			

RFID Enterprise			
Part Number	Maximum Allowable Printers	Maximum Allowable PCs	List Price
BT-RE3	3	Unlimited	\$1,495
BT-RE5	5	Unlimited	\$2,295
BT-RE10	10	Unlimited	\$3,795
BT-RE15	15	Unlimited	\$5,170
BT-RE20	20	Unlimited	\$6,295
30 or More Printers For 30 printers and above, you must use the Enterprise Print Server edition.			
Print Only On networks, full RFID Enterprise is usually more cost-effective. Consult your sales representative for details.			
BTP-RE3	3	1	\$695

Enterprise			
Part Number	Maximum Allowable Printers	Maximum Allowable PCs	List Price
BT-E3	3	Unlimited	\$795
BT-E5	5	Unlimited	\$1,245
BT-E10	10	Unlimited	\$1,995
BT-E15	15	Unlimited	\$2,745
BT-E20	20	Unlimited	\$3,495
From 30 to 90 Printers Between 30 and 90 printers on a network, complete the part number by replacing "#" with total number of printers.			
BT-E# (# = 30, 40, etc.) Total list price = price of the BT-E20 plus \$1500 for each 10 additional printers.			
100 or More Printers For 100 printers and above, please contact your reseller or Seagull Scientific.			
Print Only On networks, full Enterprise is usually more cost-effective. Consult your sales representative for details.			
BTP-E3	3	1	\$339

Enterprise Licensing: All three Enterprise editions allow use of an unlimited number of BarTender installations per network. Enterprise licensing is based on the number of printers to be used by BarTender on the network.

WAN Users: It is important to read "WAN Usage Guidelines" in the BarTender Enterprise Licensing white paper.

Professional			
Part Number	Printing	Maximum Allowable PCs	List Price
BT-PRO	Allows manual selection of any installed printer.*	1	\$495
BT-PRO3		3	\$1,255
BT-PRO5		5	\$1,995
BT-PRO10		10	\$3,695
BT-PRO25		25	\$8,245
Print Only Allows printing but not modifications to label designs.			
BTP-PRO	Same as Professional	1	\$295

Professional Edition Licensing: Based on the number of workstations on which BarTender will be installed. Licenses purchased as part of a "multi-user" package, such as BT-PRO3 or higher, must be used by one company and may not be split up for distribution to different companies.

*Professional does not support specification from within other software of which printers or data files to use. For automated job control, use an Enterprise edition.

Basic			
Part Number	Printing	Maximum Allowable PCs	List Price
BT-BSC	Same as Professional	1	\$245

Basic Edition Licensing: Based on the number of workstations on which BarTender will be installed.
